Teach English in France!

Have you always dreamed of living in France? Do you want to experience another culture after graduation? Would you like to work on your French accent?

DUTIES

Assistants are assigned a 12-hour per week teaching schedule that may be divided among up to three schools. Classes are conducted in English. The teaching assistant may conduct all or part of a class, typically leading conversations in English. Duties may include serving as a resource person in conversation groups, providing small group tutorials, and giving talks related to American studies in English classes. Assignments vary depending on the school's needs, the assistant's abilities, and the educational level to which he or she is assigned (elementary or secondary).

PROGRAM DURATION

All contracts begin October 1, 2011. 7-month contracts end on April 30, 2012. 9-month contracts end on June 30, 2012.

- **Elementary School (7 months):** Children aged 8-11 years old. Assistant organizes activities on own with small groups, or works alongside teacher with entire class present. Good level of French required.
- **Elementary School (9 months):** Children aged 8-11 years old. Assistant is the sole English educator. Assistant teaches classes on own and develops all lesson plans following national curriculum. Ideal for candidates aspiring to acquire elementary teaching or language teaching experience. Very good level of French required.
- **Secondary School (7 months):** Students aged 11-18 years old. Assistant serves as a resource person in conversation groups, provides small group tutorials, facilitates English-language clubs, or works alongside the teacher with the entire class present. No prior teaching experience necessary. Proficient level of French required.

SALARY

Teaching assistants receive a net monthly salary of approximately **€780 per month** (after mandatory deductions for health insurance have been taken). The salary provides enough money to live the **lifestyle of a typical French student**. Assistants do not receive additional support for travel to France or for dependents. Personal funds are needed for the initial period of the contract.

HEALTH INSURANCE

Teaching assistants are eligible for France's "Sécurité sociale" which covers 70% of medical costs, 35-65% of prescription costs, and 80% of hospitalization fees in France. The plan does **not cover travel outside of France**, costs for returning to the U.S. for medical treatment, or repatriation of remains. **Additional travel health insurance is strongly recommended** to cover the assistant outside of France, and to help with co-pays in the case of major medical emergencies in France.

LOCATION

Applicants may request to be placed in one of France's 30 "Académies" or school districts that host American assistants each year. Assignment to the region of choice is not guaranteed and placement in the regions of Paris, Strasbourg, Lyon, Nice, Montpellier and Grenoble is very competitive. Flexibility is highly encouraged! Assistants are responsible for making their own housing arrangements.
